BEST OF DDW: FROM CLINICAL DATA TO CLINICAL PRACTICE

As covid-19 has disrupted regular congresses all meetings are going to be virtual. Even the Digestive Disease Week in Chicago has been cancelled; in global terms, this is one of the most important congress for gastroenterologists. Our main focus is to share the topline data presented at DDW and assess their impact in IBD clinical practice.

Silvio Danese
Head IBD Center
Professor of Gastroenterology
Humanitas Research and University Hospital
Rozzano, Milan, Italy

Laurent Peyrin Biroulet
Full Professor of Medicine IBD Unit
Department of Gastroenterology
Nancy University Hospital, France

David Rubin
